Subject: ONEgeneration's 2024 Senior Symposium - Tarzana

Hello Tarzana Neighborhood Council,

I hope this email finds you well. ONEgeneration would like to request the Tarzana Neighborhood Council’s participation for our 15th Annual Senior Symposium on Saturday, May 18th, 2024. This year the health and wellness of our senior community is of the utmost importance. Our goal this year is to help our older adults be more connected with the community, educated about continuously bettering their health and informed on various opportunities that are available to them. The symposium will be a **free** outdoor event for the community at ONEgeneration's Soccer Field located at 17400 Victory Blvd., Van Nuys, CA 91406. Residents from all over the San Fernando Valley will attend and outreach throughout the Tarzana community will be conducted. During the event, vendor booths will be set up so seniors and their caregivers can pass by safely to stop for a bit to pick up information and resources. We have opened our new Community Room at the same location mentioned above where we will have on-site educational presentations, health screenings and referrals. Resources include information about ONEgeneration's vaccine clinics, CalFresh & Housing Assistance, senior homebound meal delivery, transportation, Care Management, Supportive Services, and virtual health & wellness programs.

Each year, the symposium attendance continues to grow with participants coming from all over the San Fernando Valley and Los Angeles County. Significant portions of attendees not only reside in your neighborhood but also participate in ONEgeneration’s programs and services on a regular basis. Local resources, services, and programs will be made available at the Senior Symposium including health screenings, vaccine clinics, and social service assistance, all aimed toward supporting our older adults, adults with disabilities, and their families.

This event is completely free to the public and available to anyone who is interested in attending. Support through a Neighborhood Purposes Grant will allow for us to rent tables, chairs, and canopies. Without the support to help cover our cost for this annual event that helps provide our aging residents with essential resources, we would not be able to continue this annual tradition. Your support will include a table, chairs for two, canopy, along with prime location and advertising of your logo in all promotional materials. We hope to have your support once again this year! I have attached an NPG application for your consideration along with an invoice and copy of our IRS tax letter. Please don’t hesitate to reach out if you have any questions or need further information.

I look forward to hearing from you!

Thank you,

Niambi Cooper, MSG
