Discussed:
Senior Symposium located at ONEgeneration. Eight neighborhood councils will be participating. There will be a meeting every Wednesday at 3:00 pm, at ONEgeneration.

Earth Day will be held Saturday, April 12, 2014, from 10:00 am - 3:00 pm at the Tarzana Cultural Center. Poster contest from children at local elementary schools will be participating in the contest. A pancake breakfast will be served. Activities include four to five restaurants giving samples, 35 booths participating, bounce house, and rock climbing. 1,000 people are expected.

Our newsletter can be improved. A copy of the Reseda newsletter was discussed, and having a calendar along with interesting articles will be a good addition to our newsletter. List of locations to distribute the newsletter such as a link on the website, Pierce College, Columbia College, and stores on Ventura Boulevard were suggested. Len will be investigating the Reseda newsletter.

Getting volunteers: Student Body Leadership run by Miss Quan, 19 Ladies run by Miss Yu were suggested by Ellen and Marcie. PALS kids run by Darryl Scoggins was suggested by Susan. Ask the schools to participate to get the word out, Wilbur Elementary, Nestle Elementary, Center for Enriched Studies, and Vanalden Elementary. See if the schools will distribute flyers for us for our activities.

Movies in Tarzana Park will begin end of June. Safety Fair is in October.

We need a publicity subcommittee for our events. Most important will be to let people know there is a neighborhood council. We should use photos on all our emails.

All meetings are to be posted 72 hours prior to the meeting date. Post through website, library, email, and Wilbur Elementary School.

Meeting adjourned at 9:15 pm.
