SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.

Portola Middle School is dedicated to improving the teaching and learning of civic leadership to create a state-of-the-art Mock Trial program at Portola. The Mock Trial program is run through our Elective Department and open to all students. Overwhelming student interest allows us to fill our Mock Trial team each year to capacity. Our purpose is to teach students real trial debate techniques, civil responsibility, public speaking skills, various courtroom personnel roles and expectations, while informing students of their civic duties and rights in the U.S.A. This program has been and continues to be a great benefit to all types of diverse learners. It helps build students into active, engaged citizens and confident future leaders.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

This grant will be used primarily to support the program costs, class materials, and teacher training and extra time outside of the classroom and school day. Additionally, the program helps students consider different career paths, and gives them speaking and critical thinking skills for any career path. The Mock Trial program encourages the importance of multiple perspectives, socio-economic status and how it correlates to defense and courtroom procedure. Students learn to advocate for others and become leaders among their peers who help to implement change in their communities.

Dear Tarzana Neighborhood Council Board Members,

Thank you for your consideration regarding the funding of our Mock Trial Program at Portola Middle School. I believe this program will positively impact the community through the teaching and learning of Civics. The program will also offer a career snapshot of our legal system and the importance of fairness, equity and advocacy within our court system. The class will teach students public speaking skills, research, advocacy, perspective and the importance of their voice.

We plan to use the funds for teacher training/preparation, purchase/copying of mock trial cases and materials, and a bus for field trips to the Van Nuys Courthouse and any other courthouses where our team competes. The Mock Trial Program will be run through our elective program and will be open to all students. This program will begin in the fall of 2024. Since we have begun to offer it at Portola Middle School, it has had overwhelming student support!

Thank you again for your consideration! We look forward to your response.

Respectfully,

Javier Tapia
